OFFICE CONVERSION POLICY DODP Areas C2, C3, G, H, L1, L2, M and N; and HA Districts HA-2 (Gastown) and HA-3 (Yaletown)

Adopted by City Council on June 16, 2009
Amended October 22, 2009

1 Application and Intent

The policy is intended to be used in the evaluation of inquiries and applications for conversion of significant, existing office space to residential use in areas of Downtown where zoning provides the option of both commercial and residential uses.

The policy applies to Downtown District Areas C2, C3, G, H, L1, L2, M and N and Historic Area Districts HA-2 (Gastown) and HA-3 (Yaletown), as shown in the Map 1.

The zoning in these areas generally anticipates mixed-use, and there are numerous existing, significant office buildings. Although the zoning does permit both residential and commercial use, the City has discretion within the zoning. This conversion policy does not prohibit residential conversion of office space, but rather initiates a report to Council, where appropriate, to consider whether the conversion is in the public interest. In this way, the City is able to monitor the conversion of significant office buildings.

- (b) The amount of office space being converted and the general pace of office space conversion.

- (e) Proximity of rapid transit stations to support sustainable commuting alternatives through highly accessibility and maximize the benefits of existing transit investments.
