KIOSK/OUTDOOR MOBILE VENDING POLICY

Adopted by City Council on February 21, 1978

Reaffirmed July 26, 1994

Following consideration of a report recommending outdoor mobile vending on private property in the Downtown District on a temporary basis, Council resolved:

THAT Council's policy of February 21, 1978, to not allow kiosks as service outlets for photo finishing or any other retail use, be reaffirmed, noting that it is Council's intention to not allow outdoor mobile vending on private property, unless specifically provided for in the Zoning and Development By-law, any CD-1 (Comprehensive Development District) By-law, or any Official Development Plan.
